## HEALTHY MICHIGAN PLAN MI HEALTH ACCOUNT: DECEMBER 2016

MAXIMUS contracts with each Healthy Michigan Plan health plan to operate the MI Health Account (MIHA). The MIHA documents health care costs and payments for health plan members eligible for the Healthy Michigan Plan. Any amount the beneficiary owes to the MIHA is reflected in the quarterly statement that is mailed to the beneficiary. The MIHA quarterly statement shows the total amount owed for co-pays and/or contributions.

A co-pay is a fixed amount beneficiaries pay for a health care service. Before a beneficiary is enrolled in managed care, the beneficiary will pay any co-pays directly to their provider at the time of service. Once enrolled in managed care, co-pays for health plan covered services will be paid into the MIHA.

A contribution is the amount of money that is paid toward health care coverage. **Beneficiaries with incomes at or below 100% of the Federal Poverty Level (FPL) will NOT have a contribution.** Beneficiaries above 100% FPL are required to pay contributions that are based on income and family size. The quarterly statement informs beneficiaries what to pay for co-pays and contributions each month for the next three months, includes payment coupons with instructions on how to make a payment, as well as tips on how to reduce costs (Healthy Behavior incentives). The statement lists the services the beneficiary has received, the amount the beneficiary has paid, what amount they still need to pay, and the amount the health plan has paid.

### Quarterly Statement Mailing Guidelines

- The first quarterly statement is mailed six months after a beneficiary joins a health plan. After that, quarterly statements are sent every three months.
- A beneficiary follows his or her own enrollment quarter based on their enrollment effective date.
- Quarterly statements are mailed by the 15<sup>th</sup> calendar day of each month
- Statements are not mailed to beneficiaries if there are no health care services to display or payment due for a particular quarter.

Chart 1 displays the statement mailing activity for the past three months. It also displays the calendar year totals since January 2016 and the program totals from October 2014 to September 2016.

Chart 3 displays the total amount collected by completed quarter, by enrollment month. For example, beneficiaries who enrolled in May 2014 received their first quarterly statement in November 2014. These individuals had until February 2015 to pay in full, which constitutes a completed quarter. Please note that the Percentage Collected will change even in completed quarters because payments received are applied to the oldest invoice owed.

### Adjustment Activities

Beneficiaries are not required to pay co-pays and/or contributions when specific criteria are met. In these cases, an adjustment is made to the beneficiary's quarterly statement.

This includes populations that are exempt; beneficiaries that are under age 21, pregnant, in hospice and Native American beneficiaries. It also includes beneficiaries who were not otherwise exempt, but have met their five percent maximum cost share and beneficiaries whose Federal Poverty Level is no longer in a range that requires a contribution.

Chart 5A shows the number of beneficiaries that met these adjustments for the specified month, calendar year since January 2016 and the cumulative total for the program from October 2014 through September 2016.

## HEALTHY MICHIGAN PLAN MI HEALTH ACCOUNT: DECEMBER 2016

### Healthy Behavior Incentives

Beneficiaries may qualify for reductions in co-pays and/or contributions due to Healthy Behavior incentives. All health plans offer enrolled beneficiaries financial incentives that reward healthy behaviors and personal responsibility. To be eligible for incentives a beneficiary must first complete a health risk assessment (HRA) with their primary care provider (PCP) and agree to address or maintain health behaviors.

*Co-pays* – Beneficiaries can receive a 50% reduction in co-pays once they have paid 2% of their income in co-pays AND agree to address or maintain healthy behaviors.

*Contributions* - Beneficiaries can receive a 50% reduction in contributions if they complete an HRA with a PCP attestation AND agree to address or maintain healthy behaviors.

*Gift Cards* – Beneficiaries at or below 100% FPL receive a \$50.00 gift card if they complete an HRA with a PCP attestation AND agree to address or maintain healthy behaviors.

Chart 5B shows the number of beneficiaries that qualified for a reduction in co-pays and/or contributions due to Healthy Behavior incentives for the specified month, calendar year since January 2016 and the cumulative total for the program from October 2014 through September 2016.

## HEALTHY MICHIGAN PLAN MI HEALTH ACCOUNT: DECEMBER 2016

Typically, beneficiaries will pay a co-pay for the following services:

- Physician Office Visits (including free standing Urgent Care Centers)
- Outpatient Hospital Clinic Visit
- Outpatient Non-Emergent ER Visit (co-pay not required for emergency services)
- Inpatient Hospital Stay (co-pay not required for emergency admissions)
- Pharmacy (brand name and generic)
- Vision Services
- Dental Visits
- Chiropractic Visits
- Hearing Aids
- Podiatric Visits

If a beneficiary receives any of the above services for a chronic condition, the co-pay will be waived and the beneficiary will not be billed. This promotes greater access to high value services that prevent the progression of and complications related to chronic disease.

Chart 6 shows the number of beneficiaries whose co-pays were waived and the dollar amount waived due to receiving services for chronic conditions. Co-pay adjustments for high value services are processed quarterly based on the beneficiaries' individual enrollment and statement cycles.

## MI HEALTH ACCOUNT: DECEMBER 2016

Beneficiaries that do not pay three consecutive months they have been billed co-pays or contributions are considered “consistently failing to pay (CFP)” status. Once a beneficiary is in CFP status, the following language is added to the quarterly statement: “If your account is overdue, you may have a penalty. For example, if you have a healthy behavior reduction, you could lose it. Your information may also be sent to the Michigan Department of Treasury. They can take your overdue amount from your tax refund or future lottery winnings. Your doctor cannot refuse to see you because of an overdue amount.” Beneficiaries that are in CFP status and have a total amount owed of at least \$50 can be referred to the Department of Treasury for collection. Beneficiaries that have not paid at least 50% of their total contributions and co-pays billed to them in the past 12 months can also be referred to the Department of Treasury for collection.

Chart 7 displays the past due collection history and the number of beneficiaries that have past due balances that can be collected through the Department of Treasury. These numbers are cumulative from quarter to quarter.

Beneficiaries are given 30 days from the date of the letter to make a payment or file a dispute with the Department of Health and Human Services (DHHS) for the amount owed.
